

Junior Sailing Program 2012

Overview of The Hamburg Cove Yacht Club Sailing Program:

The Hamburg Cove Yacht Club Sailing Program is a beginner to intermediate sailing program held at The Hamburg Cove Yacht Club, located on Cove Road in Lyme, CT. The program is open to children between the ages of 8 to 14. ASA Certified sailing instructors will teach the program. The student sailors will sail in both the inner cove and the outer cove using Dyers, JY Trainers and JY9's.

This year we will again offer FOUR sessions comprising the weeks July 16-20th, July 23-27th, July 30-Aug 3rd and August 6-10th. This is in response to last year's, successful, four-week session, when we were able to provide up to 81 sailing class weekly slots. We were able to provide as much sailing opportunity for local kids as possible. **The hours are 9 AM to 3 PM each day. The price per session is \$225.00.**

Please note that there are two scholarships available through the HCYC based on need. Contact Pat Pabouet see below for details.

When you fill out the attached application, please be sure to specify in which session you would prefer your sailor to be registered. Indicate also a second preference. Sessions will be filled on a first come, first serve basis, so please notify us of your choice as soon as possible. Sailors may attend up to two sessions if spaces are available. **Should you want two sessions, please indicate this on the form and your 1st and 2nd preference session choices and we will attempt to best meet your request.**

As we get closer to sailing time, registered sailors will be sent detailed information on what your sailor should bring with them to ensure them of a safe and positive learning experience.
